Setup fee R199, R55 per month. More information at <https://passionateaboutbanners.co.za/>

#### **PAWZETTE**

The PAWZETTE is a digital collective brochure that allows our clients to place advertisements FOR FREE in it. Non-clients may place advertisements at nominal fees. Fees range from R30 to R350, depending on the size of the advertisement you take out, and some advertisements will stay published for up to one year at that rate.

Please visit <https://pawzette.co.za/> for more information.

#### **PAW CHAT**

PAW CHAT is a service that allows you to sit back when it comes to sending newsletters and announcements to your subscribers. You provide the content, we compile it, you approve, and we send. Pricing is comprehensive, but you may download a rate card from <https://paw-chat.co.za/>.

#### **REMOTE PROACTIVE CARE**

Remote Proactive Care takes care of your Windows 10 or Windows 11 PC. We connect remotely to your PC or laptop using RustDesk and service it. We clean up hidden temporary files, adjust settings, and extend the life of ageing devices. We also provide you with a report on any detected hardware failures so you can replace them before disaster strikes. More information at <https://remoteproactivecare.com/>.

#### **WEBSITE CONTENT SERVICES**

Website content (blogs) delivered by Riaan Hattingh, who has vast experience in writing travel and agri-tourism articles for newspapers and magazines. Please email [riaan@riaanhattingh.co.za](mailto:riaan@riaanhattingh.co.za) with your requirements and to find out about pricing.
